Another year has gone by and we all are getting older and hopefully getting wiser. Fishing was decent this year even with a lot of days of windy weather. Brown trout was very good early and continued thru-out the year with plenty of limit catches. Salmon season on the lake was difficult at times but overall pretty decent. Fall salmon season was slow because of low water levels and warm weather.

We are always a little late getting our newsletter out and this year is no exception. It's the middle of February and the weather is unseasonably warm, I went out on the Lake with two other captains for some brown trout fishing, we weren't disappointed. We landed around 40 browns but only kept 4 for smoking. There were quite a few days this winter that were warm enough to be on the Lake catching browns. We saw a lot of nice browns out in the Lake. Hopefully it will be an early spring.

The **Summer Customer Appreciation Weekend** will be June 23rd - 25th with a special rate - if you stay 2 nights you will get the 2nd night at half price! We will provide roasted pork (or chicken) for the picnic on Saturday. Please bring a covered

dish and your favorite beverage to the picnic. This is also **NY's Free Fishing Weekend** which means you do not need to purchase a fishing license for Saturday or Sunday. Plus, bass season will be open.

Slated projects for the year include replacing the roof on LC1 that was damaged when a huge tree fell on it. It has been on our "to do" list for several years but hasn't happened yet because the weather hasn't cooperated yet. As a side note, we can attest that Flex-Seal tape works great but needs to be replaced yearly.

We decided to not do any sport shows this year. If you went to a show to see us, we are very sorry to have missed you.

Thanks. Capt. Wally and Cheryl
